

## PROCURE-TO-PAY CONTRACT REVIEW INFORMATION & QUESTIONNAIRE

GW/MFA departments, divisions, or schools (“End User”) who need to execute contracts to procure Information Technology (IT) products/services and/or involve the processing of data (collection, storage, use, and transmission) should review the information below and **complete the Questionnaire (attached as page 2)**.

### 1. Security Risk Assessment

#### **GW**

GW Information Security Group (“GW IT Security”) requires a Security Risk Assessment when a GW registered supplier will process, store, or transact non-public information. If applicable, End Users should submit a request for a **Security Risk Assessment** at: <https://go.gwu.edu/securityassessment>.

#### **MFA**

MFA Information Security Group (“MFA IT Security”) requires a Security Risk Assessment when a MFA registered supplier will process, store, or transact non-public information. If applicable, End Users should submit a request for a **Security Risk Assessment** at: [securityassistance@mfa.gwu.edu](mailto:securityassistance@mfa.gwu.edu)

- Non-public information is defined in the *Data Management and Protection Standard* located at: <https://compliance.gwu.edu/data-management-and-protection-standard>.
- Additional Information and **FAQs** about Information Security Assessments can be found at: <https://it.gwu.edu/gw-it-security-assessment>
- **Non-Disclosure Agreement (NDA)**: Suppliers may require an NDA before agreeing to complete a Vendor Security Assessment. If an NDA is required, we recommend using the GW/MFA NDA template. Procure-to-Pay can provide a copy upon request.

### 2. Confidential Information Addendum (CIA)

- Required when a supplier will have access to GW/MFA non-public information such as:
  - (1) Regulated Data  
e.g., HIPAA, FERPA, GLBA, etc.  
Personally Identifiable Information  
e.g., Name, Address, GW Net ID, SSN, etc.
  - (2) Restricted Data  
Means all information and data provided to Service Provider, excluding Regulated Information, that must be protected from unauthorized access, use, or disclosure due to obligations set forth in University policies, the conditions of a contract, or particular designation made by GW/MFA, or because of proprietary or privacy considerations.
- Procure-to-Pay can provide a copy upon request.
- Typically, not needed when Business Associate Agreement (BAA) is required.

### 3. Accessibility and Accommodation

- GW/MFA is committed to providing access for all users, including persons with disabilities, to allow them to participate in university programs, services, and activities, in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act.
- If applicable, the End User should request a Voluntary Product Accessibility Template (“VPAT”) from the supplier for the service to be procured under the contract.
- Information about Accessibility at GW can be found at <https://accessibility.gwu.edu/>
