GW seeks to achieve its diversity efforts through primary and second-tier suppliers. All primary suppliers must submit a plan with their bids, indicating how they intend to use diverse enterprises as their second-tier suppliers. Each plan will be evaluated based on good-faith efforts and will consider the following factors:

- Availability of diverse suppliers who can provide the goods and services requested in the bid documents
- Competitiveness of the prospective second-tier suppliers

The use of local diverse businesses strengthens our commitment to our community. In all cases, however, it is expected that the suppliers meet the criteria relating to the price, service, and delivery. Supplier diversity will be reviewed as part of all contract awards. Ultimately it will be left to the discretion of the primary supplier as to which second-tier suppliers it uses.
